| Geography & History | Art and DT | PE & Music | MFL & RE |
|--------------------------------|-------------------|-----------------------|---------------------|

Geography:

We will be learning:

- About the world around us and what is in our local area.
- There are different countries in the world and be able to recognise some similarities and differences between life in this country and life in other countries.

History:

We will be learning about the different ways in which travel and transport has changed from past to present, including:

- Knowing some similarities and differences between things in the past and now, drawing on

Art:

We will be learning:

- To explore mixing primary colours.
- To recognise primary colours.
- To explore mixing primary colours to make secondary colours.
- To understand how to lighten a colour with white.
- To understand how to darken a colour with black.
- To create a piece of art using mixed colours.
- To evaluate and discuss their own and others' work.

Design and Technology:

We will be designing and making a moving vehicle.

We will be learning to:

- Choose a favourite vehicle and talk about why it is their favourite.
- Create collaboratively, sharing ideas, resources and skills.

PE:

This Half Term our focus will be dance. We will master basic movements including running, jumping, throwing and catching, as well as developing balance, agility and co-ordination, and begin to apply these in a range of activities. We will perform dances using simple movement patterns.

Music:

We will be learning to:

- Play tuned and untuned instruments musically.

- Experiment with, create, select and combine sounds using the interrelated dimensions of music.

RE:

This Half Term we will be learning about Diwali and Christianity. Within Christianity we will be focusing on Harvest and will have a visit from a vicar.

MFL:

We will be learning how to say and use basic greetings in Spanish, including the greetings 'Hola' and 'Buenos días'
