

Bader Academy have an exciting new reading programme by Renaissance called MyON and our students have been loving it. Many have requested that we share it with you, their parents. It works on any device with internet access so here is the link:

<https://global-zone61.renaissance-go.com/welcomeportal/8692474>

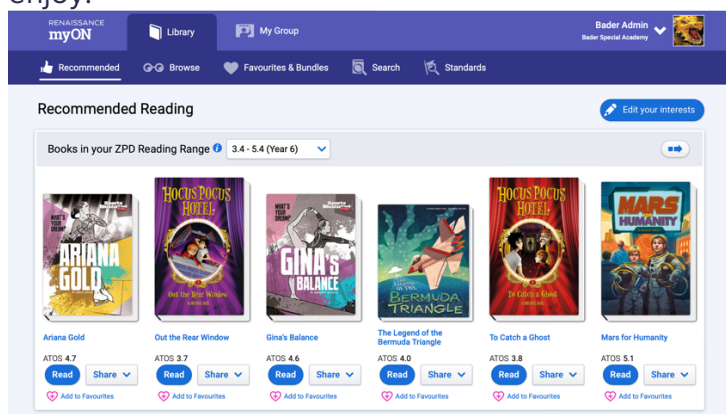

this will bring you to our login screen, click on student.

The user name is first initial of first name and first four letters of surname

For example  
sfish - s for Simon and fish for Fisher.  
Password is abc

After this the children will be able to show you the amazing features of MyON, our online library, enjoy!

Please note that this there is not a requirement for your children to do this, it is purely if they would like to access MyON at home
