Re: Year 11 Leavers Celebrations

Dear Parents and Carers,

I hope this letter finds you well. As we approach the end of the academic year, I wanted to provide you with some important information regarding the transition for our Year 11 students. This transition period is crucial in preparing our students for the next phase of their educational journey, and we are dedicated to ensuring a smooth and successful transition for each and every one of them.

Firstly, I would like to remind you of the significance of the Year 11 exams that begin imminently. These exams play a vital role in assessing the progress and attainment of our students, as well as preparing them for their future endeavours. We have been working closely with our students to ensure they are well - prepared and supported throughout this period. Our dedicated teachers are providing additional resources, revision sessions, and guidance to help our students in their exams.

Following the May half term, students are able to access study leave where they can continue to study from home. As this is a significant change to their current routine, we are aware that this may have an impact for some of our pupils. If you have any concerns around your child being at home for study leave, please let school know by completing the Microsoft form. Dependent on numbers, we can then explore opportunities and what we can offer from a school perspective during this period of time. The rest of school will move into their new classes following their new timetables after half term.

I would also like to highlight the upcoming Year 11 leavers assembly. This assembly will be an opportunity to celebrate the accomplishments of our students throughout the academic year. Parents and carers are welcome to join us at this event and to celebrate their time at Bader. This event will take place on **Wednesday 18th June at 13:30**. Please complete the Microsoft form to advise whether you are able to attend.

Additionally, I would like to share with you information about the Year 11 Prom. This event not only marks the conclusion of our students' time in Year 11 but also provides them with an opportunity to come together and celebrate with peers and staff. We are committed to organising a memorable and enjoyable evening for our students. The information for our Bader Prom is below:

Venue: Regent Hotel, Regent Square, Town Centre, Doncaster, DN1 2DS

Life beyond Bader is not far away and you should have heard about the next steps for your child. Throughout this transition period, our staff will be on hand to provide guidance and support to our students as they navigate this exciting yet challenging time. We encourage open communication between parents, students, and teachers to ensure that each student receives the assistance they need to thrive. Please do get in touch with us if you have any questions or queries, we are more than happy to help.
