Re: Further Information for Year 11s

Dear Parents/Carers,

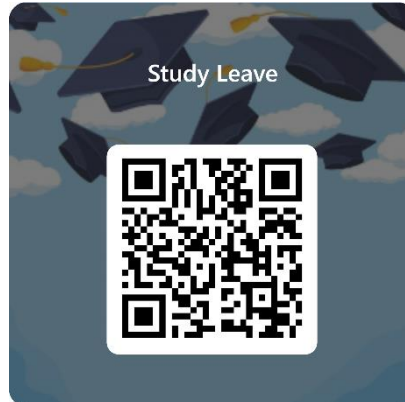

Following on from the responses we received from our previous letter, we would like to update our year 11 parents in relation to our plans around study leave.

We can now advise that the final official day for Year 11 students will be: **Friday 27th June 2025**. Please note, that after students have completed their final examination, they are not expected to continue attending lessons. However, students are still very welcome to come into school after this date should they wish to access any support, resources, or simply wish to say goodbye to staff and friends.

It is important to make you aware that the local authority's transport arrangements will cease after Friday 27th June. It will be family's responsibility to make alternative transport arrangements if students plan to attend school beyond this date.

Can we please ask that all parents complete the following Microsoft Form;

<https://forms.office.com/e/emFcspxG1m> to advise school your young person's intentions around attending school after the following date. Either click the above link or scan the QR Code below to complete.

Thank you for your continued support throughout your child's time in Year 11. We wish all of our students every success in their upcoming exams and future endeavours.

Yours sincerely,

Kind regards,

Viki Drew
