Dear families,

Creation of a local governing body for Bader Academy

Now that the school has a critical mass of pupils on roll, Nexus Multi Academy Trust is seeking to put a local governing body in place.

Local governing bodies play a crucial role in the Trust's oversight of our academies, and we are now seeking self-nominations from parents to become parent governors.

There are two positions on the local governing body, and if more than two candidates put their names forward, then an election will be held.

The local governing body will meet 6 times per year (twice a term). More information on our governance structure can be found in the Trust Prospectus at

<https://www.nexusmat.org/about/nexus-prospectus-annual-reports>. The Trust Scheme of Delegation also includes more detailed information, and can be accessed at <https://www.nexusmat.org/about/policies-and-procedures>

If you have any questions about being a parent governor, please email clerkingservices@nexusmat.org to arrange a conversation with one of the Trust's executive management team. You can also talk to the Bader Academy leadership team.

Please complete the attached nomination form and email it to clerkingservices@nexusmat.org by **Friday 21 January 2022**. The Trust corporate governance team will be in touch after that date to confirm next steps.

Yours faithfully,

Emma Heyes
