An academy within:

“Learning together, to be the best we can be”

1. Context

- 1.1. Bader Academy is designated for pupils whose primary special educational need has been assessed as **Communication and Interaction Difficulties**. The school currently has **82 for this academic year (2021-2022)** planned places with **80** currently on roll, the school will admit a pupil where the school is named in a pupil's Education Health and Care Plan (EHCP). The age range of pupils is currently **5-15** years, with key stage places structured as follows (*please note numbers are indicative, and may vary slightly each academic year):

Key stage	Number of pupils
EYFS	0
KS1 (5 -7yrs)	7
KS2 (7-11yrs)	26
KS3 (11-14yrs)	44
KS4 (14 -16 yrs)	3
KS5 (post 16)	0
Total	80

- 1.2. Prior to naming the school on a child's EHCP, a Local Authority must fully consult with the school in line with its statutory obligations.
- 1.3. Places at Bader are funded in line with the High Needs Block Operational Guidance. This brings place funding of **£10,000** per place per annum, with additional base "top up" funding of **£11,086**. Where children have additional needs, this will be reflected in a higher "top up" funding amount, as defined by the school and agreed by the commissioning Local Authority.

2. Admission Criteria and Arrangements

- 2.1. Places will usually be taken up at the start of the school year, though by agreement with the Headteacher, places can be accessed at any time of the year. Admissions are generally only agreed if an EHCP has been completed and the needs of the child have been clearly defined in line with the school's designation.
- 2.2. In exceptional circumstances, and in line with the Special Educational Needs Code of Practice (2015), the school may consider assessment placements in order to support a Statutory Assessment.

2.3. Consideration will always need to be given to the numbers in - and profile of - each year group.

3. Referral Routes

3.1. Parents who wish to consider a place at the school for their child should contact their Local Authority SEND Assessment Team for guidance on relevant procedures

3.2. All EHCPs should incorporate clear and accurate description of needs together with appropriate funding to meet those needs. However, when this does not occur the school will negotiate, with the commissioning Local Authority, for the appropriate level of bespoke funding for the placement to be viable and sustainable. A formal review of the EHCP will be requested if needed.

4. Admission Eligibility Criteria

4.1. The school is suitable for the child's age, ability, aptitude, disability and assessed special educational needs;

4.2. The child has an EHCP indicating "**Autistic Spectrum Disorder** " or "**Speech Language and Communication Needs** " as a primary special educational need;

4.3. Parents and/or the child have expressed a preference for the school or in cases of dispute, the local authority has agreed with the school to name it in the EHCP;

4.4. The child's placement in the school is compatible with the efficient education of others and the efficient use of resources

4.5. The commissioning local authority provides top-up funding in line with the assessed needs of the child's educational, behavioural (including any additional supervisory requirements), medical and care needs and is relative to the cost to the school for delivering a support package which enables at least good provision to be in place

4.6. The appropriateness of the resource required for children with challenging behaviour or complex medical needs have been considered alongside the needs of the existing year group and within the overall context for the school.

5. Admissions Criteria/Priorities for when Placements are Limited

- 5.1. The placement allows for efficient use of school resources;
- 5.2. Severity of need for a placement in a severe or profound learning difficulties setting;
- 5.3. An EHCP is in place which fully assesses the child and quantifies required provision.

6. Admissions procedure including 6th Form (Post 16 places)

- 6.1. Parents, SEND assessment teams or Educational Psychologists from Local Authorities, Headteachers from other schools, or Alternative Provision/ Resource Heads may contact the school directly to arrange a visit; however, it is Local Authorities who assess needs and commission places at the school, therefore:
 - 6.1.1. Parents wishing their child to be considered for a place are advised to contact their Local Authority SEND service;
 - 6.1.2. The commissioning Local Authority will consult with the Headteacher (on behalf of the Multi Academy Trust) regarding each pupil /student they consider potentially suitable to request a place for;
 - 6.1.3. The Headteacher will consider the suitability of the school's provision in addressing the needs of the child and also give consideration to the needs of existing pupils/students on roll;
 - 6.1.4. The Local Authority and the Headteacher will come to a decision about placement and any reasonable steps necessary to ensure the admissions criteria can be met;
 - 6.1.5. Admission into our 6th Form follows the same process as for all students;
- 6.2. Once a placement has been agreed new pupils/students have a home visit or visit school with their parents/carers to plan a transition into school.

7. Appeal Arrangements

- 7.1. The SEND Code of Practice entitles parents to appeal to the SEN and Disability Tribunal if their home LA refuses to name their school of choice in the EHCP or the named school refuses to offer a place.
- 7.2. Bader Academy, as part of Nexus Multi Academy Trust, will always ensure that parents and the commissioning Local Authority are kept informed when the school is considering refusing an admission. The school will be clear with both parents and the Local Authority about the reasons underpinning a potential refusal which, by law, must relate directly to the suitability of the placement for the age, ability, aptitude or SEN of the child or young person, or to concerns that the placement would be incompatible with the efficient education of others, or the efficient use of resources
- 7.3. Where a parent is unhappy that the school is considering refusing admission, the school, Trust and Local Authority will consider any reasonable steps that could be taken to address identified concerns before a final decision is made. Parents must be informed that if they wish to appeal, the grounds for an appeal must be set out in writing.

8. Funding of Places

- 8.1. Local Authorities commission and fund places for pupils at the school based upon identified needs established through a Multi-Agency Statutory Assessment that are costed and recorded in an EHCP.
- 8.2. The Education & Skills Funding Agency provides some core funding for an agreed number of planned places, but it is commissioning Local Authorities that are responsible for ensuring that funding is appropriately matched to needs identified in EHCPs.
