							Class F		
							Class G		
							Class H		
Total		50			85			100	

It is important to note that numbers may change and the fluidity of approach will also have to be acknowledged depending on the young people. All class groups will be organised by considering a number of variables, these may include but are not exhaustive, ARE, Kagen Groupings, mix of genders, friendship groups, vertical groups for PBL and house activities.
